

VICTORIAN LOCAL GOVERNMENT ELECTIONS

GOWOMENLG 2016 PROJECT

WORKING TOWARDS GENDER EQUITY

What we achieved in 2016

13 Councils (17%) have **only one** woman elected

18% of all local government electorates had **no women**

There's more to be done

Women with diverse backgrounds have **different needs** for information and support

If we do nothing the numbers of women candidates and elected councillors **decreases**

What builds numbers and diversity of women candidates?

KEEP THE WHEELS TURNING FOR GENDER EQUITY.

ENCOURAGE A WOMAN YOU KNOW TO STAND FOR COUNCIL OR THINK ABOUT STANDING YOURSELF IN 2020!
